Goodwill Store in Hanford Now Open
Proceeds will go directly to the Hanford community

Hanford, CA – The new Goodwill Retail Store and Donation Center in Hanford is now open at 426 W. Lacey Blvd. Goodwill is proud to celebrate the opening of this great addition to the Hanford community and Goodwill's continued commitment to investing in its service region of Kern, Kings, and southern Tulare Counties.

Goodwill is a 501(c)(3) non-profit organization with the Mission to provide work opportunities and skills development to individuals with barriers to employment – including (but not limited to) people with disabilities, English-as-a-second-language, and welfare-to-work participants. Goodwill continues its commitment to maximize public benefit while minimizing public cost by utilizing their Transitional Employment Program. This program is designed to HIRE, PROMOTE UP, and PROMOTE OUT local individuals with barriers to employment and is funded primarily through community donations. All of the funds generated from the sale of donated items go directly toward helping local individuals find employment, earn a paycheck, and take care of their families. Donating to Goodwill is quick, easy, and tax-deductible!

When people donate to Goodwill, they are not only helping the community but also the environment. Rather than throwing items away and filling up landfills, Goodwill works to reuse, recycle, and repurpose all donated items giving others the opportunity to enjoy them. Therefore, local shoppers will be able to treasure hunt for great items at a fantastic price. Finally (and most importantly), this new retail store in Hanford will generate at least 15 new full-time jobs for local disabled and disadvantaged individuals!

Open seven days a week the Goodwill Store is open from 10 am – 8 pm and Donation Center is open from 8 am - 7 pm. For more information about the new Hanford Goodwill Retail Store, visit our website at www.TheGoodwill.org or call (661) 837-0595.
